# Her Alibi

## TOM SELLECK PAULINA PORIZKOVA

He's a mystery writer who's blocked and bored. She's a mystery woman who's either the inspiration of his life—or "the end" of it! It's a daffy romantic whodunit when head-over-heels Tom Selleck agrees to alibi for possible murderess Paulina Porizkova. He's sure she can't be a killer, but doubts begin to creep in when she impales a bug with a kitchen knife... from across the room! And who shot that arrow into Tom's tush? Flizy fun, co-starring William Daniels. (ALMV)

PG-134. Feb. 18, 21, 23, 25, 27 □ □
